*"So everywhere we go, we tell everyone about Christ. We warn them and teach them with all the wisdom God has given us, for we want to present them to God, mature in their relationship to Christ."*

Colossians 1:28

## CELEBRATE RECOVERY® INSIDE (CRI)

Dale's job is to promote CRI (the recovery ministry designed for incarcerated men) to the various Celebrate Recovery ministries in the state and challenge volunteers to come forward. He will train them and God will develop them for service. Dale visited the CRI program in the correctional facility at Lino Lakes, Minnesota and will be going back to provide training to their leadership. This facility has over 100 men in CRI. **Pray that God lifts up volunteers who will dedicate their time and be an example to these incarcerated men.**

Lino Lakes Correctional Facility

The largest four-level prison for felons in Minnesota is the Stillwater State Prison. We are praying for God to prompt a young man to take CRI inside this facility. **Pray that the Stillwater ministry moves forward under God's direction as the potential is exciting.**

The state prison in Faribault, Minnesota is the newest site for CRI. The facility is currently undergoing a multi-phase renovation/expansion project, which is expected to be completed in 2010. In January 2010, Chip LaPole will begin heading the "inside" ministry team. Once again Dale is in the process of going to Celebrate Recovery programs in the area and promoting CRI and the need for a volunteer base to assist at the prison.

Since February 2009, the Federal Medical Center in Rochester, Minnesota has developed a weekly "12 step" study. Men within the inmate population are being trained in hopes of creating a broader influence in the system.

Of course we wish to expand CRI to all jails and prisons in Minnesota. Dale has a great challenge ahead in order to better coordinate and encourage people in CRI. The benefits of this ministry are lived out when participants return to their homes, churches and communities. These men are then able to continue to disciple newly released individuals.

## NMM: Sending Dale DePeel

Net Mender Mission is about "catching" people that normally slip through the cracks of society and churches. More and more men and women, raised in the church, see the need to be dealing with their own hurts, hang-ups and habits. We can all identify with them as they seek to experience true freedom in Christ.

Dale is working with a variety of churches. On Sundays he preaches at Kasson Church of Christ. He is back in Kasson on Wednesday evenings leading Life's Healing Choices. Dale is on the management team of Bear Creek Christian Church where he leads the development of small groups. On Saturday night, he is the Ministry Team Leader (MTL) for Celebrate Recovery at Rochester Assembly of God. On Sundays, beginning January 10<sup>th</sup>, Dale will be the CR MTL at Hope Summit Christian Church in Rochester. Dale is in his fifth month of helping develop this CR leadership team. Dale is also consulting with Journey Church in Rochester. They are committed to reach people for Christ and would like to use Celebrate Recovery as a key tool.

Thursdays Dale is part of a Bible study that meets at a transition house for newly released prisoners. He then attends a small group hosted by Bear Creek at another transition house. That is followed by a "12 step" study where participants are currently giving their moral inventory.

Refiners Lodge, our ministry dealing with sexual integrity for men, has had a group entirely complete its first "step" study. Fifty percent of men and twenty percent of women in America are addicted to pornography. This is a great challenge to the Church's purity. We expect to see new leadership develop another group shortly in the Rochester area.

We are also pulling together the leadership teams from the area CR ministries to have a Life Issues Group hosted by Rochester Assembly of God. Add to this all the phone calls, emails and personal time spent counseling and disciple-ing, and Dale has more than a full plate. At this time it is vital Dale focuses on the CR ministry and develops leaders who can continue this work.

Throughout the year, the encouragers and supporters for Soul Harbor and Net Mender Mission are held in the highest regard. We all know how much effort it takes to build up the church. Thank you for being part of this most unique church experience. We are blessed to be part of an outreach that works.

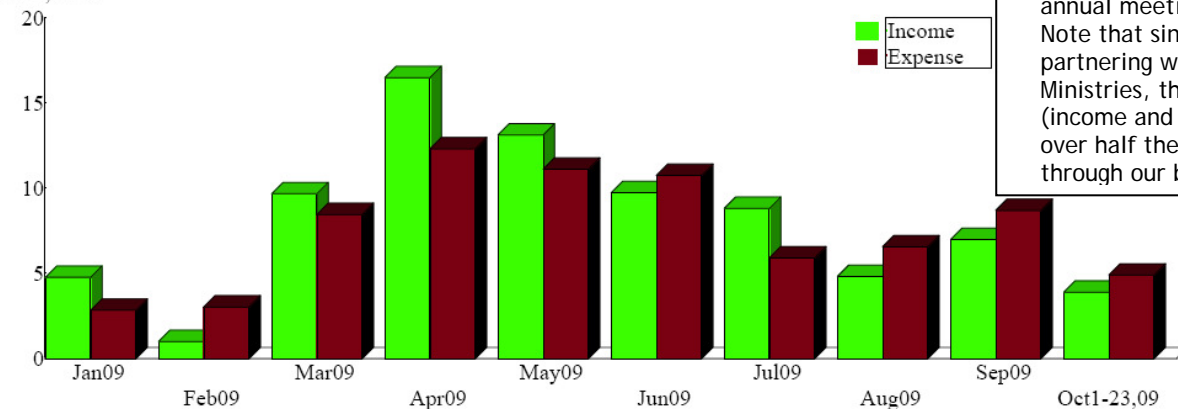

Sincerely,

Dale, Vic, Carl & Chris
